

Needle Turn Mosaic Applique

In this two day workshop you will learn all the techniques and skills to turn a design into a Mosaic quilt. Lorraine will show you how she selects colours and how she creates light and shadow with her fabric choices. She will show you how to achieve invisible stitches to create prize winning applique, how to finish your quilt and the most suitable quilting designs to enhance your work.

KIT COST AU\$5 payable to the Tutor in class. **Please advise pattern choice when booking**
